Your Big Day

We understand that your big day is one of the most important days of your life. With over 10 years of experience we provide the highest professionalism and style to ensure everything goes exactly how you want it. All the music we play is instantly recognizable and designed to keep you and your guests on your feet the whole night long.

What We Offer

Music can be provided for every aspect of your day:

- Live sets by Dammit Jack (usually 2 x 60 minutes) providing music that will get your guests up and dancing and singing their hearts out.
- Music specially chosen by you, and played live for your first dance
 - Background music whenever you require it
- Professional lighting and sound for that true party atmosphere, provided by us.
- Music throughout your ceremony that we will play live as you take those steps down the aisle.
 - Microphone available to use during speeches.

FAQ's

Equipment

- We provide our own professional PA equipment that is suitable for both small and large rooms.
 - Full stage lighting provided.
- We have full public liability insurance and all of our equipment is PAT tested.
- We use one full drum kit, one acoustic guitar and one electric guitar for evening performances.

Timings

- Our total set lasts for 2 x 60 minutes with extra time allowed for an encore.
 - A short break between sets of around 15 to 60 minutes is always greatly appreciated.
- Our start time for both sets is entirely up to you. Usually we are asked to start around 8 or 9pm, but can start whenever you would like.

Songs

- We pride ourselves with having an extensive range of songs more than capable of entertaining all ages and musical tastes.
- Depending on the mood or atmosphere of the evening, we pick the songs to play which always keeps the dance floor packed. However if you wish us to play in a specific order we are more than happy to do so.
 - We are always updating our set, and are open to any suggestions.
- We will learn your first dance song for you, but require a minimum of 3 weeks to perfect it.

DJ Service (Platinum Package)

- In between sets we provide music throughout the night, between and before sets.
 - A tailored set of your favourite songs can be arranged if required.
- If you would like background music playing at points of the evening, please let us know and we can arrange it.
- We are happy to play your iPod with a specific playlist of yours through the PA.
